WARNING

The construction and operation of Home-Built Aircraft of this type is demanding and could inflict serious injury and possible death. No such operation, construction or undertaking should be indicated without thorough and complete knowledge, experience, and training in aviation and aircraft construction. Seller (and its agents, servants, employees, contractors, successors and assigns) makes no warranties, express or implied, concerning the suitability of the plans and/or components for construction, the number of building hours required, nor the safety of this aircraft or any part thereof. Furthermore, buyer (and his heirs, administrators and assigns) releases and holds seller (and its agents, servants, employees, contractors, successors and assigns) harmless from any and all liability, damages and causes of action which may be incurred by buyer or any third party as a result of the purchase, use, construction and/or operation of said aircraft (or part part thereof) or plans for same. Buyer assumes all risk and responsibility for the construction and/or operation of said aircraft. Seller claims no liability by publication of this warning.
